### 2.2 ENROLLMENT OF NEW ARCHITECTS AND TOWN PLANNERS

During the reporting period Council received a total number of 776 applications (702 for registration as Architect and 76 for registration as Town Planner). Out of this 660 were registered as Architects and 71 as Town Planners. The remaining applications are pending due to incomplete documentation/registration examination.

### 2.3 RENEWAL FEE

Annual collection of Renewal Fee is one of the fundamental activities of PCATP. Architects and Town Planners, from across the country and those living abroad registered with the Council annually renew their registration with the Council in order to practice the profession. Architects and Town planners are reminded annually through renewal notices forwarded by the Council in October/November every year to pay the registration renewal fee. Council issued renewal notices to Architects and Town Planners in November and December 2021 as per practice in vogue. During the reporting period total of 6796 registration renewal notices were issued out of which 5771 renewal notices were issued to Architects and 1025 renewal notices to the Town Planners.

Out of 5771 renewal notices issued to architects 2,642 (45.8%) were paid. A sum of PKR 8.1 Million was received against the Renewal Fee from Architects. Out of 1025 renewal notices forwarded to Town Planners 388 (37.9%) were paid. A sum of PKR 1.4 Million was received against the renewal fee from Town Planners. Accumulative Renewal Fee received to the Council is PKR 9.5 Million.

A sum of 207 (184 Architectural & 23 Town Planning) firm registration renewal notices were forwarded to the Architectural/Town Planning firms registered with the Council. During the reporting period 97 Architectural Firms and 12 Town Planning Firms paid their renewal fee and a sum of PKR 1.8 Million was received to the Council.

### 2.4 REGISTRATION OF FIRMS

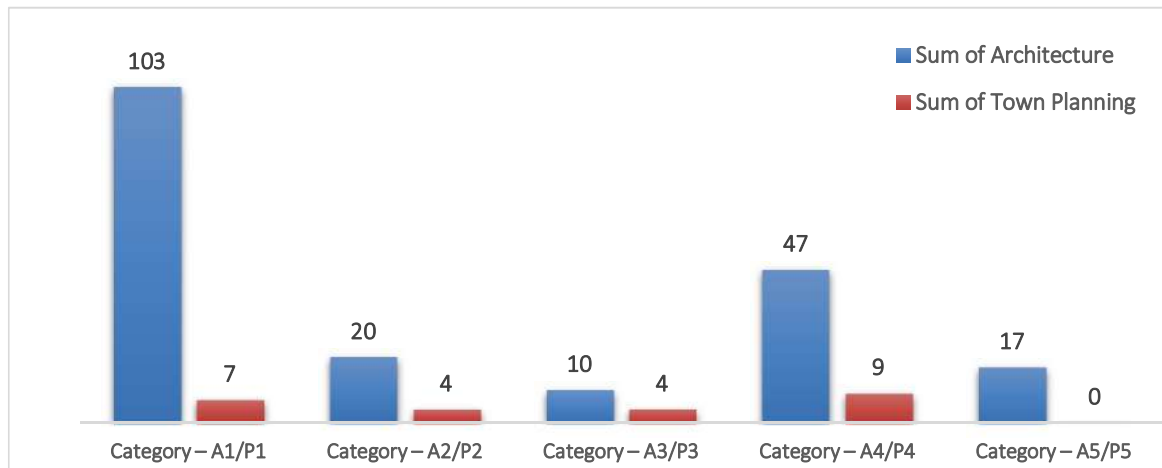

Pakistan Council of Architects and Town Planners amended bye-laws 2018 part – XVI Licensing of Firms have been revised and approved in EGM held on December 19-12-2020. The categorization of firms has been revised into categories A-1/P-1 to A-5/P-5 respectively. Whereas, grant of registration to EA & EP Firms has been revoked.

Recently, the Council has revised the Firm Registration and Renewal Fee for firms in 121<sup>st</sup> ECM held at PCATP Head Office Islamabad on 26 February 2022 after a gap of seven (07) years since

the last revision in fee was made by the Council in the 99<sup>th</sup> ECM held in August 2015. The notification of revised fee is available on PCATP website. Subsequently, the Firm Registration Form has also been revised and attached at **Annexure – A**.

Council has successfully registered 35 Architectural Firms and 01 Town Planning Firm up-till 31<sup>st</sup> March 2022 since the last AGM held on 03 April 2021. An accumulative 197 Architectural and 24 Town Planning Firms have been registered with the Council till to date. List of Architectural and Town Planning Firms respectively is available on PCATP website ([www.pcapt.org.pk](http://www.pcapt.org.pk)).

## 2.5 EDUCATION

### 2.5.1 NOC GRANTED

Imperial College of Business Studies (ICBS) Lahore has informed the Council that due to unavoidable circumstances ICBS has decided to close its Architectural department. Currently, 48 students are enrolled in the Architectural department. ICBS has requested the Council to allow these students to migrate to other PCATP accredited institutions in the country. The Council has made it clear that it is complete responsibility of the ICBS to find alternative arrangements for these unfortunate students. Also, Council has informed the said institution that full liability including financial for the unfortunate situation rests with them.

List of Institutes which were granted No Objection Certificate (NOC) by the Council as per the decision taken by Accreditation Board is enclosed to this report at **Annexure - C**. However, Batches which were enrolled prior obtaining NOC are still not recognized by the Council. The Institutes which were granted NOC will remain under observation until all recommendations are implemented as mentioned in the zero visit report.

The Accreditation Board has levied a fine/penalty of **PKR 1,000,000/-** per batch (revised 121 ECM *w.e.f* 28 March 2022) for the intake without acquiring PCATP NOC and in non-compliance of zero visit procedures. These batches will also go through a registration examination to be conducted by the Council.

Following is the list of architecture programs currently under review with the Council:

## 2.5.2 ACCREDITATION

The Council periodically performs the zero/interim/accreditation visit to educational institutes to gauge their quality of education. The Accreditation Manual (revised 2022) consists of detailed criteria for accreditation and revalidation to accreditation for Architectural and Town Planning programs offered by institutes. The Accreditation Manual has been revised by incorporating the amended bye-laws 2018, Tier System (where applicable) and Systems Checklist. The inclusion of these interventions in the Accreditation Manual is to sustain the educational institutions with Continuous Quality Improvement and retain them at par with international standards.

### 2.5.2.1 ACCREDITATION VISITS

The Council performs different academic activity visits to the Architectural and Town Planning institutes in a calendar year. During the reporting period number of zero/interim and accreditation visits performed by the Council are enclosed to this report at **Annexure – D**.

### 2.5.2.3 TIER SYSTEM

Evaluation Matrix (enclosed at **Annexure – O**) for architectural institutions was devised and proposed by Prof. Dr. Samra M. Khan, Member Executive Committee in the Scrutiny Committee to gauge the compliance of Educational Institutes towards PCATP criteria. The matrix was approved by Scrutiny Committee and submitted to the Accreditation Board for its approval and implementation. The Accreditation Board recommended to include the qualitative aspect into the evaluation matrix and revise the same in coordination with Ar. Sohail Saeed. The revised document was presented in the 121<sup>st</sup> ECM and it is recommended that its pilot test should be conducted in upcoming visits to be conducted by the Council to measure its effectiveness and reliability. Accordingly, results will be shared with the EC in 122<sup>nd</sup> ECM for its approval and inclusion in the Accreditation Manual.

### 2.5.2.4 SYSTEM CHECKLIST

System Checklists (enclosed at **Annexure – P**) consists of various indicators and parameters to be gauged by the inspector during a visit to the educational institution. The checklist has been devised by Dr. Anita Kapadia, listed inspector with Council, upon the request of Accreditation Board to obtain a detailed knowledge about the educational institute qualitatively as well as quantitatively.

## 2.5.3 TRAININGS AND WORKSHOPS

### 2.5.3.1 WEBINAR ON WORKS OF GRAFTON ARCHITECTS

PCATP in collaboration with the NUST School of Art, Design and Architecture, Islamabad organized a webinar on April 21, 2021 with the Pritzker prize winner Architect Yvonne Farrel of Grafton Architects, Dublin.

Joint introductory remarks about the speaker was delivered by Ar./Plnr. Sikander Ajam, Principal SADA-NUST Islamabad and by Planner John Healy from Ireland. The Speaker shared her design philosophy, experience of design competitions and managing international assignments and projects supported by a powerful sharing of her projects relevant to her design philosophy. The session was followed by a questions/answers session. Concluding remarks were delivered by Chair PCATP, Ar. Muhammad Arif Changezi.

The webinar was well attended by local and international students, faculty and practicing architects. Statistics of the webinar are as follows:

Participants by Country	No. of Participants
Pakistan	209
Ireland	07
United Kingdom	01
United States of America	13
Canada	02
Oman	01
<b>Total</b>	<b>233</b>

Participants by Profession	No. of Participants
Architects	106
Town Planners	04
Students	92
Faculty	25
Other	06
<b>Total</b>	<b>233</b>

### 2.5.3.2 OUTCOME BASED EDUCATION

Session on Outcome Based Education was organized by Dr. Muhammad Idrees, Ex-Director Curriculum, Higher Education Commission (HEC) on 16 December 2021 at PCATP Head Office, Islamabad via Zoom. Underlying idea of the session was to equip the Head of Department of Architecture Institutes and their faculty with following expertise:

1. Curriculum Development under OBE
2. Devise elements of Curriculum
3. Assessment & Evaluation of Curriculum under OBE
4. Types of Assessment
5. Test Specification

He emphasized that since rubrics of Architecture Studio Policy are of qualitative/objective nature; its policy needs to be devised by the Architecture faculty itself by incorporating the elements of OBE.

### 2.5.3.3 NATIONAL CURRICULUM REVIEW COMMITTEE

The Provincial Consultative Session on Curriculum Review was held via zoom on December 7<sup>th</sup> and 8<sup>th</sup> 2021 at PCATP Head Office, Islamabad under the chairmanship of Ar. Mohammad Arif Changezi. The sessions were convened by Prof. Dr. Saima Gulzar (Educational Nominee, Architecture) where Departmental Heads of 19 institutions attended the sessions. Following conclusions were accorded from the Provincial Consultative Sessions:

1. Adoption of New HEC UG policy with revisions in the curriculum should be implemented in the next academic year.
2. 39 credit hours should be spread over 5 years in contrast to the first 2 semesters.
3. The credit hour requirements for B. Arch is to be revised but remains between 165 and 175.
4. Architecture Studio should be established as an independent entity not merged with practical labs and contact hours should also be established accordingly for the same.

#### 2.5.3.4 HEC UNDERGRADUATE POLICY ON ARCHITECTURE AND TOWN PLANNING

The Council held two detailed consultative sessions separately with respected Academia and Intelligentsia of two fields i.e., Architecture and Town Planning for feedback regarding the HEC UG Policy 2020. Session for Town Planning was convened by **Dr. Fariha Tariq (Educational Nominee, Town Planning)** and **Prof. Dr. Saima Gulzar (Educational Nominee, Architecture)** convened the session for Architecture. The Consultative sessions were attended by representatives of 28 Architectural schools and 4 Town Planning Schools respectively.

The recommendations forwarded for the Architecture Schools are appended below:

1. The Policy should be adopted after detailed modifications. Hence it would not be feasible for this policy to be implemented from fall 2021.
2. It was agreed that a taskforce of academicians, along with PCATP, should be formed. This taskforce would devise detailed curriculum revision guidelines based on consensus and convey them to HEC accordingly.
3. The concept of foundation year needs to be revisited.
4. A common assessment criterion for internship under the new UG policy should be formed. Also, it was suggested that internships should be reflected on transcripts as well.
5. The 39 minimum credit hour courses in the General Education section should be divided into the time span of five years. If these courses are concentrated in the foundation year at the expense of studio courses/Architecture related courses, it will dilute the five-year program.

The recommendations forwarded for the Town Planning Schools are appended below:

1. Detailed curriculum revision should be done first before the new UG policy can be implemented.
2. It is not feasible to adopt and implement this new policy in fall 2021. The deadline should be extended.

#### 2.5.3.5 INSPECTORS TRAINING WORKSHOP

Training Workshop for Evaluators (Inspectors) was initiated by HEC in 2006. The purpose was to equip the inspectors with the requisite knowledge and technique in evaluation of educational institutions. Second training workshop on Accreditation and Self-Assessment for Accreditation Councils was provided by foreign experts, organized by Quality Assurance Agency (QAA), HEC in June 2009. Third workshop was organized in June 2014 by PCATP, funded by HEC in Islamabad, in which Commonwealth Trainer trained the participants which included academia

and professionals. Forth, Training Workshop was organized by PCATP in 2016 at Mehran University, Jamshoro.

Three (03) Validation Training Workshop for Evaluators (Inspectors) were organized by PCATP in April 2022. Details of the workshop are as follows:

Sr. No	Date	Workshop Location	No. of Participants
1.	01 April 2022	Lahore	05
2.	23 April 2022	Islamabad	09
3.	27 April 2022	Karachi	08

The training equipped architects and town planners in conducting accreditation/validation visits for architecture and town planning programs. The workshop consisted of following modules:

1. Introduction to PCATP Accreditation Procedures
2. Curriculum Analysis
3. Evaluating Student's work
4. Conversation between and among participants (both in Q&A sessions and small group conversations/assignments)

## 2.5.4 REVISION OF SCHEDULES OF PCATP ORDINANCE IX OF 1983

### 2.5.4.1 REVISION OF SECOND SCHEDULE PART I (ARCHITECTURE)

Revision of Second Schedule Part I (Architecture) was proposed in 121 ECM held at PCATP Office, Islamabad on 26 February 2022. It was also approved in the ECM that Foreign Qualification Cases for registration with the Council will also be analyzed after revision of second schedule part I. Subsequently, Chairman PCATP formulated a committee comprising of following members to revise the second schedule part I and present the recommendations for the approval of Executive Committee.

- a. Prof. Dr. Samra M. Khan, EC Member
- b. Ar. Shazia Abro, EC Member
- c. Prof. Dr. Saima Gulzar, Educational Nominee (Arch.)

### 2.5.4.2 REVISION OF SECOND SCHEDULE PART II (TOWN PLANNING)

Subsequent to the approval of Resolution No. 05 presented in 2021 Annual General Meeting (AGM) and reported 2020 Annual Report that Second Schedule to be revisited and registration to be given on First Professional Degree only in both disciplines (Architecture/Town Planning).

Consequently, the Second Schedule Part II (Town Planning) has been revised and forwarded for the Gazette Notification. Copy of the letter forwarded is attached at **Annexure – Q/A**.

Proposed revisions by Plnr. Muhammad Imran Shakir in Schedule -II (Town Planning) are attached at **Annexure- Q/B**.

### 2.5.4.3 LIST OF QUALIFICATIONS ADDED TO THE ORDINANCE SCHEDULES

Architecture and Town Planning institutions have been added to the First and Second Schedule of PCATP Ordinance IX of 1983 by approval and recognition of the Council under sections 10 & 11 of the Ordinance. List of the added institutions is attached at **Annexure – R**.

### 2.6 PCATP REGISTRATION EXAMINATION

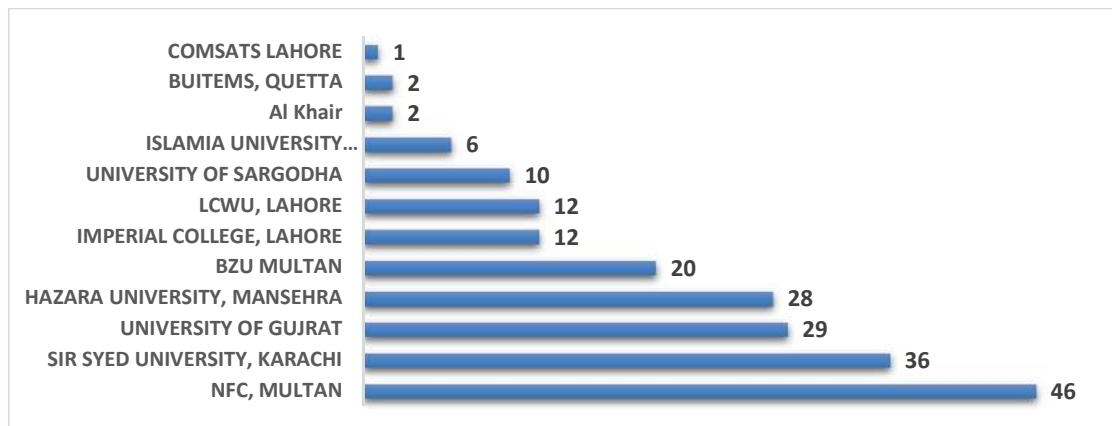

In the 120<sup>th</sup> Executive Committee Meeting held on 04<sup>th</sup> September 2021, *reference to Resolution no. 05*, it has been decided that Registration Examination for non-accredited batches of Architecture and Town Planning shall be conducted and registration shall only be granted afterwards. ## 2.11 COMPLAINTS FILED BY MEMBERS

### 2.11.1 COMPLAINT FILED BY AR. MISHAAL ROZINA MERCHANT

Ar. Mishaal Rozina Merchant (A-0240) filed a complaint against Ar. Moyena Niazi on account of Project Supplant and Professional Misconduct. An Explanation Letter was served to Ar. Moyena Niazi for provision of defence to accept or decline the charges raised by Ar. Mishaal Rozina Merchant. Subsequently, the case was presented in 121 ECM held at PCATP Office, Islamabad on 26 February 2022 and it was recommended by Executive Committee that the matter should be resolved through arbitration. EC recommended the name of Ar. Syed Akeel Bilgrami to act as arbitrator in resolving the dispute. However, upon notification of appointment of arbitrator, Ar. Moyena Niazi regretted to resolve the matter through arbitration and asked for the conduct of inquiry. Subsequently, Chairman PCATP directed Registrar PCATP for the formulation of Inquiry Committee, which is formulated as follows:

- a. Ar. Sikandar Hayat
- b. Ar. Sohail Anwer Saeed
- c. Ar. Naheed Mohsin Kazmi

As of now, the proceeding of Inquiry Committee is yet to be initiated and the decision is to be made on this matter.

### 2.11.2 ARCHITECTS FEATURING IN ADVERTISEMENTS OF DEVELOPERS / CONTRACTORS

Ar. Nishat Aleem Khan (A-01940) submitted complaint to the Council that various advertisements by contractors and developers include the name and personal appearances by Architects. She submitted the documentary evidence of Ar. Shahid Abdulla in advertisement of "Paragon Developers" on social media (YouTube). The case was presented in 121 ECM held on 26 February 2022 at PCATP Head Office, Islamabad and input on the matter is requested from the EC Members. Response is still awaited for further necessary action.

## 2.12 SHOWCAUSE NOTICE FOR PROFESSIONAL MISCONDUCT

Following members have been issued Show Cause notice due to alleged involvement in non-professional activities and violating PCATP Code of Professional Conduct.

Sr. No	Nature of Complaint	Filed By	Filed Against	Remarks

## 2.13 ACTION TAKEN BY COUNCIL ON PRE-QUALIFICATION NOTICES/EOI AND OTHERS APPEARING IN NATIONAL NEWSPAPERS AND OTHER RELATED MATTERS

Council keenly observes the pre-qualification notices appearing in national newspapers by public and private sector organizations. In view, PCATP has written 40 letters to the concerned public / private sector departments during the reporting period on account of RFPs/EOI etc. The response is not very encouraging but few organizations have accepted our plea and have reissue prequalification/EOI requests fulfilling Council's criteria.

In view, the Council has notified in the Gazette that " Procurement of Architectural /Town Planning Services or Consultancy" must be carried out through PCATP registered Architects and Town Planners only. Notification attached at **Annexure – U**. Compliance on the subject matter notified by Khyber Pakhtunkhwa Public Procurement Regulatory Authority (KPPRA) is attached at **Annexure – V**.

Letters description written to organizations/departments on various stances with regard to their advertisements appeared in newspapers is attached at **Annexure – W** and is summarized as follows:

## 2.14 FOLLOW UP ON COMPLIANCE OF PCATP ORDINANCE IX OF 1983

During the reporting period 295 letters were written to the public/private offices on account of non-compliance to PCATP Ordinance IX of 1983 (attached at **Annexure – X**). Few of the offices have taken corrective action(s) on the implementation of the necessary steps. Whereas, several letters were written to the various Cantonment Boards, DHA's and Local Area Development Authorities on the issues pertaining to the Compliance of PCATP Ordinance. Since then constant follow up with the concerned authorities, DHA's and Cantonment Board is being done by the PCATP.

PCATP has incorporated the database of its registered members with the respective boards of Khyber Pakhtunkhwa and Punjab i.e. KPITB and PITB. Through this service, any public/private organization can verify the credentials of an architect/town planner.

It is important to put on record that Peshawar Development Authority, Kaghan Development Authority, Lahore Development Authority, Multan Development Authority, Multan Cantonment Board, Peshawar Cantonment Board, DHA Bahawalpur have complied to our letters/notices and are accepting PCATP registration from architects without any enlistment and fees. Recently, PCATP has also won the case on enlistment of PCATP registered architects and town planners with Capital Development Authority where the Islamabad High Court (IHC) has passed the judgement that "*PCATP registered Architects and Town Planners do not require enlistment with CDA for drawings submission and approval*"

DHA Lahore have once again approached to convene a meeting with Chairman PCATP with DHA officials to resolve the issue. Response is awaited from DHA, Lahore.

Multan Development Authority (MDA) has been proactively involved with the Council after a rigorous follow up has been made by the Council on various issues with the Authority that includes but not limited to provision of unauthorized professional services, illegal stamp affixation etc. Now, the MDA has asked the Council for the provision of verification services to cope up this issue. Resultantly, the Council has formulated a verification procedure where, the Authority can ask for verification of firms/individuals from the Council. The procedure has been devised for swift coordination between the Council and Authority.

## 2.15 PROFESSIONAL DEVELOPMENT BOARD

PDB aims to continuously improve the Council functions pertaining to Architecture Licensing Exam (ALE) and Continuing Professional Development (CPD). So far three meetings of the Professional Development Board (PDB) have been organized. 1<sup>st</sup> Meeting of PDB was held on 18 June 2021 at PCATP Office Islamabad, 2<sup>nd</sup> on 11 November 2021 and 3<sup>rd</sup> on 08 March 2022. So far following decisions have been made under the PDB platform:

Sr. No	Item Description	Decision
1.	Right of Vote	Remains with Licensed Architect only
2.	ALE - Cut off Date	Remains enact as judgment passed by High Court
3.	Firm Category	Experience of any firm category will be recognized by Council
4.	PEL Sheet	Updated and uploaded on Council website
5.	Interview	To be conducted in Phase II i.e. 2025 onwards
6.	Professional Licensing Examination	Curriculum reviewed and incorporated in updated ALE Document
7.	Exam Cost	Updated cost of Rs. 5,000/- as approved in ECM has been incorporated in the ALE Document
8.	CPD Application	Chairman PDB approved the application. Further developments in the application are under process.

From the platform of PDB, revised documents of Architecture Licensing Exam (ALE) and Continuing Professional Development (CPD) have been devised and proposed for the approval of Executive Committee.

## 2.16 CONSULTATIVE WORKSHOP IN COLLABORATION WITH PESHAWAR DEVELOPMENT AUTHORITY AND PAKISTAN COUNCIL OF ARCHITECTS AND TOWN PLANNERS

Consultative Workshop of PCATP under chairmanship of DG Peshawar Development Authority (PDA) was held on 12th April 2021 on the directions of Chief Secretary, Government of KPK. A comprehensive framework was designed to facilitate the Architects and Town Planners to perform their due role as mandated vide PCATP Ordinance IX of 1983 and contribute towards the betterment of the Province. Minutes of the Meeting with details pertaining to the stakeholder attended the meeting and agreed decisions are attached at **Annexure – Y**. Subsequent to that Local Council Board notified the Council that they have implemented the decisions of Consultative Workshop and the decisions taken are attached at **Annexure – Z**. To follow-up on

the implementation of decisions taken in consultative workshop, PCATP Executive Committee has formulated a co-ordination committee and the same has been communicated to Chief Secretary KPK, attached at **Annexure-AA**.

## **2.17 MEETING OF CHAIRMAN PCATP WITH PPRA**

Chairman PCATP along with the Registrar PCATP held a meeting with the higher management of Public Procurement Regulatory Authority (PPRA) on 12 January 2022 regarding issue of requirement of PEC registered consulting firms and engineers for RFP's and EOI in advertisements published for Architectural/Town Planning Works as well. Whereas, several letters have been written to the Authority by the Council to encounter this issue. PPRA submitted their stance that this issue pertains to the lack of coordination between Pakistan Engineering Council (PEC) and Pakistan Council of Architects and Town Planners (PCATP) and in view offered the role of facilitator in resolving these issues.

## **2.18 MEETING OF CHAIRMAN PCATP WITH MULTAN ARCHITECTS**

Chairman PCATP met with Multan Architects Association on 13 January 2022 to address their grievances on illegal practices being followed in the market that includes but not limited to unauthorized stamp affixation, architectural drawings being approved by Planners in TMAs and Development Authorities. In response, Chairman PCATP advised the Council to display the list of disclosed nonprofessionals (firms/individuals/vendors) involved in illegal practices on the PCATP website for public information. Subsequently, Council has published the list of unauthorized professionals on PCATP website along with the information to the concerned departments. The Council has also issued the Public Notice in this regard which is available on the PCATP website.

Registrar PCATP did physically verify some cases provided by Multan Architects; accordingly notices have been issued to the concerned.

In view, the Council has also enhanced the fine/penalty for the provision of unauthorized services from Rs. 500 to Rs. 500,000/-.

## **2.19 MEETING FOR ENHANCED COLLABORATION BETWEEN PEC AND PCATP**

Chairman PCATP and Registrar PCATP held a meeting with Chairman PEC on 12 January 2022 for issues on intervention of Engineering Consulting Firms and Engineers into Architectural services. Subsequently, Meeting for enhanced collaboration between PCATP and PEC was called on by Chairman PEC at Pakistan Engineering Council Head Office, Islamabad on 3<sup>rd</sup> February 2022 to address the issues pertaining to registration of Engineers/Architects in Consulting Firms and other related issues including wider collaboration to provide platform out of respective strengths and strong areas for the betterment of both the professions and practice. A Joint Committee has been formed in this regard to address and resolve these issues between both Council's.

## 2.20 3<sup>RD</sup> WORKSHOP TO FINALIZE CONSULTANCY FRAMEWORK

Ministry of Planning Development and Special Initiatives (M/o PD&SI) organized the workshop under the chairmanship of Secretary PD&SI to have a detailed deliberation on the working paper of Consultancy Framework. Resultantly, Chairman PCATP shared the working paper of draft consultancy framework to the Architects and Town Planners registered with the Council for the provision of input and feedback on various items listed in the consultancy framework. Plnr. Dr. Obaid Ullah Nadeem, Plnr. Anis Samoo, Ar./Plnr. Sikandar Ajam, Ar. Mansoor Ahmad Qureshi, Ar. Ifrah Irshad and Ar. Abdul Wahid submitted their input on the consultancy framework and is attached at **Annexure – AB**.

Pakistan Engineering Council being the regulator of the workshop held 1<sup>st</sup> Meeting of the workshop on 21 April 2022. Where, Chairman PCATP nominated Ar. Mansoor Ahmad Qureshi and Plnr. Muhammad Imran Shakir to represent PCATP stance in the said workshop. Plnr. Imran Muhammad Shakir has recommended the Council to hire a consultant in devising a framework pertaining to the scope of work related to Architects and Town Planners to be incorporated in the Consultancy Framework being finalized by PEC. This matter will be presented in the upcoming Executive Committee for further deliberation.

## 2.21 PCATP TEAM MEETS MINISTER OF STATE, MINISTRY OF PARLIAMENTARY AFFAIRS

Ar. M. Airf Changezi, Chairman PCATP led a delegation comprising of Ar. Muhammad Iqbal, Vice Chairman (Architecture), Plnr. Khurram Farid, Vice Chairman (Town Planning), Ar. Fahad Hassan, Member EC and Ar./Plnr. Tahira Sadia Fazli, Registrar PCATP to a meeting with the ex-Minister of State, Parliamentary Affairs, Mr. Ali Muhammad Khan in his office in Islamabad on Friday 4<sup>th</sup> June 2021.

The delegation apprised the Minister about the difficulties being faced by the Architects and Town Planners especially with respect to the deduction of withholding tax at 10% on architectural and town planning as compared to 3% for engineering services. Further, a request for provision of Technical Allowance for architects and town planners was also submitted to be considered at par to the engineering professionals working in public sector organizations.

The delegation submitted the request for the provision of land for the Pakistan Council of Architects and Town Planners (PCATP) Head Office in Islamabad to be allocated by Capital Development Authority (CDA). The Minister assured to support the Council in this regard and asked the Council to submit a letter to the Prime Minister Office on this matter. Subsequently, the Council wrote a letter to the PM Office; however the decision is still awaited.

The Minister also urged the Council to make necessary efforts in conversion of its Ordinance into an ACT, since it will strengthen the writ of the PCATP.

Resultantly, after the budget announcement by the Govt. of Pakistan, PCATP managed to reduce the withholding tax through Government on architectural services at 3%. PCATP notified this achievement to all its members through a notification dated September 1, 2021 (also available at PCATP website). Whereas, grant of technical allowance for architects and town planners is

also being actively pursued with the concerned authorities and it is also expected to be decided in the favor of PCATP.

## 2.22 MEETING OF PCATP OFFICIALS WITH PAY & PENSION COMMISSION, FINANCE DIVISION

Chairman PCATP along with Registrar PCATP were called upon by the Pay and Pension Commission, Finance Division, Government of Pakistan on 10<sup>th</sup> February 2022 to discuss the modalities for the provision of Technical Allowance @ 1.5 times basic salary at par to the engineers working in public sector. The members of Pay and Pension Commission asked for the provision of any such allowance allocation notification by NESPAK (since Chairman PCATP intimated them about the provision of technical allowance at NESPAK), number of Architects and Town Planners working in public sector and financial impact of the grant of technical allowance on budget. The Council has subsequently provided the requested data to the Commission. The response from the Commission is awaited to this Council regarding any notification/further development.

## 2.23 MEETING OF PCATP OFFICIALS WITH FEDERAL MINISTER FOR DEFENCE

Chairman PCATP along with Registrar PCATP was called on by Mr. Pervez Khattak, Federal Minister for Defence, Government of Pakistan on 10 February 2022 to address the issue of enlistment of Architects and Town Planners in Cantonment Boards and Defence Housing Authorities. The matter is under consideration with the relevant departments and any development will be intimated to the Council in due course of time.

## 2.24 RAWALPINDI HOUSING SCHEME

It has been decided by the Executive Committee in its 121 Executive Committee Meeting that Rawalpindi Housing Scheme (RHS) be re-evaluated and the matter to be concluded on priority basis. In this regard, Chairman PCATP has formed a committee comprising of **Ar. Mazhar Munir** and **PInr. Muhammad Imran Shakir**. Committee Members along with Registrar PCATP visited the site of RHS in March 2022 to evaluate the necessary actions required to be taken by PCATP. Committee Members will submit their findings to the Executive Committee in its next meeting for the decision as deem appropriate.

Current status of RHS refunds is as follows:

Sr #	Description	Total Members	No. of Members Opted for Refund	Total Amount Received	Amount Refunded	Amount Payable

## Independent Auditor's Report to the Executive Committee of Council

### Qualified opinion

We have audited the financial statements of **Pakistan Council of Architecture and Town Planners** (the Council), which comprise the statement of financial position as at June 30, 2021, and the statement of income and expenditure, statement of cash flows and statement of changes in funds for the year then ended, and notes to the financial statements, including a summary of significant policies.

In our opinion, except for the effects of the matter described in the Basis of Qualified Opinion section of our report, the accompanying financial statements presents fairly, in all material respects, the financial position of the Council as at June 30, 2021 and of its financial performance and its cash flows and changes in funds for the year then ended on the basis of accounting described in note 2.1 to the financial statements.

### Basis of Qualified Opinion

- a) As stated in note 4 of these financial statements, Pakistan Council of Architects and Town Planners owns a land reflected at PKR 21,951,761 in the statement of financial position as at June 30, 2021. The Council retained an amount of PKR 20,200,000, received as advance, against a deal for sale of the above land which could not materialize. We were unable to obtain sufficient and appropriate audit evidence about the carrying amount of land and advance for sale of land as at June 30, 2021. We were also not able to ascertain existence of litigation, if any, in relation to land and the amount forfeited and their current status. Consequently, we were unable to determine whether any adjustment to these amounts were necessary.
- b) In prior financial years the Council had obtained approval under Rule 212 of Income Tax Rules, 2002 i.e. to be eligible as Non-Profit Organization and had claimed tax credit under Section 100C of Income Tax Ordinance, 2001. However, under Rule 217 of Income Tax Rules, 2002, the approval is required to be renewed after every three years. The Council has not been able to obtain a renewed approval which expired in the tax year 2019. However, the tax returns relevant to the financial years 2020 and 2021 have been filed based on the presumption of being exempt as a Non-Profit Organization.

Due to the absence of the order for exemption, the Council can be subject to tax and penalties in respect of financial years 2020 and 2021, under the provisions of Income Tax Ordinance 2001.

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditors Responsibilities

Moore Shekha Mufti  
Chartered Accountants

for the Audit of the Financial Statements section of our report. We are independent of the Council in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

#### **Emphasis of matter**

We would draw attention to note 4 to these financial statements which indicates the scenario concerning the Rawalpindi Housing Scheme. Our opinion is not qualified in this regard.

#### **Responsibilities of Executive Committee and Those Charged with Governance for the Financial Statements**

The Executive Committee is responsible for the preparation and fair presentation of the financial statements in accordance with the approved accounting and reporting standards as applicable in Pakistan, and for such internal control as the Executive Committee determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Executive Committee is responsible for assessing the Council's ability to continue as going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless Executive Committee either intends to liquidate the Council or to cease operation, or has no realistic alternative but to do so.

Those charged with government are responsible for overseen the Council's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable is a high level of assurance, but is not guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design perform audit procedures responsive to those risk, and obtain audit evidence that is sufficient and appropriate to provide a basis for opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud

MSM

Moore Shekha Mufti

may involve collusion, forgery, intentional omissions, misrepresentations or the override of the internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executive Committee.
- Conclude on the appropriateness of Executive Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exist related to events or conditions that may cast significant doubt on the council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the council's to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Financial statements for the year ended June 30, 2021

**Notes to the financial statements**

For the year ended June 30, 2021

**1. Legal status and principal activities**

The Pakistan Council of Architects and Town Planners (PCATP) is a statutory body established under the Pakistan Council of Architects and Town Planners Ordinance, 1983 (Ordinance IX of 1983) to regulate the professions of Architecture and Town Planning in Pakistan. The registered office of the Council is situated at Usman Center, 1<sup>st</sup> Floor, office no. 7-12, D-12, Markaz, Islamabad - Pakistan. The Council also has an office situated at 4<sup>th</sup> Floor, 61-C, 21<sup>st</sup> Commercial Street, Phase-II Extension, D.H.A, Karachi

**2. Basis of preparation and significant accounting policies and estimates**

**2.1 Basis of preparation**

The financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of Accounting and Financial Reporting Standards (AFRS's) for Small Sized Entities as issued by the institute of Chartered Accountants of Pakistan.

**2.2 Basis of measurement**

The financial statements have been prepared on the historical cost basis, except wherever, disclosed in these accounting policies. The principal accounting policies that have been applied consistently by the Council to all periods presented in these financial statements are set out below.

**2.3 Significant accounting policies**

**a) Property and equipment**

Property and equipment are stated in the statement of financial position at cost less accumulated depreciation and impairment loss, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Council and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognized. All other repairs and maintenance are charged to the income and expenditure account during the financial period in which they are incurred. Major renewals and improvements are capitalized and the assets so replaced, if any, are written off.

The residual values and useful lives of property and equipment are reviewed, and adjusted if appropriate, at the end of each reporting period.

Depreciation is charged on property and equipment so as to write off the cost over their estimated useful lives, less estimated residual value, using the reducing balance method on the following bases:

Office building	5%	Air conditions	20%
Office equipment	10%-15%	Furniture and fixtures	10%
Computer equipment	30%	Building improvements	10%

The gain or loss arising on the disposal or retirement of an asset is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the income and expenditure account.

*WMA*

PAKISTAN COUNCIL OF ARCHITECTS AND TOWN PLANNERS  
Financial statements for the year ended June 30, 2021

2. Basis of preparation and significant accounting policies and estimates (Continued)

2.3 Significant accounting policies (continued)

b) Investment property

Investment property, which is property held for capital appreciation, including property under construction for such purposes, is measured initially at its cost, including transaction costs.

Subsequent to initial recognition, investment property whose fair value can be measured reliably without undue cost or effort on an ongoing basis after initial recognition are measured at fair value, at each reporting date. The changes in fair value recognised in the statement of income and expenditure. Any other investment property (whose fair value cannot be measured reliably without undue cost or effort) is measured at cost less accumulated depreciation and any impairment loss.

The fair value of investment property is determined at the end of each year using current market prices for comparable real estate, adjusted for any differences in nature, location and condition.

c) Impairment of non-financial assets

At each reporting date, the Council reviews the carrying amounts of its non-financial assets, to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any. Where it is not possible to estimate the recoverable amount of an individual asset, the Council estimates the recoverable amount of the cash generating unit to which the asset belongs.

If the recoverable amount of an asset (or a cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (cash generating unit) is reduced to its recoverable amount. An impairment loss is recognised as an expense immediately, unless the relevant asset is carried at revalued amount, in which case the impairment loss is treated as a revaluation decrease. Where an impairment loss subsequently reverses, the carrying amount of the asset (cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised as income immediately, unless the relevant asset is carried at revalued amount, in which case the impairment loss is treated as a revaluation increase.

d) Financial instruments – classification, recognition, measurement, derecognition and offsetting

The Council classifies its financial assets in the following categories: at fair value through profit and loss, held to maturity, loans and receivables, and available-for-sale. The classification depends on the purpose for which the financial assets were acquired. Management determines the classification of its financial assets at initial recognition.

**Financial assets at fair value through profit or loss**

Financial assets at fair value through profit or loss are financial assets held for trading. A financial asset is classified in this category if acquired principally for the purpose of selling in the short term. Derivatives are also categorized as held for trading unless they are designated as hedges. Assets in this category are classified as current assets.

**Loans and receivables**

Loans and receivables are non-derivatives financial assets with fixed or determinable payments that are not quoted in an active market. They are included in the current assets, except for the maturities greater than 12 months after the end of the reporting period. They are classified as non-current assets.

**Held to maturity financial assets**

Held to maturity financial assets are non-derivative financial assets with fixed or determinable payments and maturity with a positive intention and ability to hold to maturity.

PAKISTAN COUNCIL OF ARCHITECTS AND TOWN PLANNERS  
Financial statements for the year ended June 30, 2021

2. Basis of preparation and significant accounting policies and estimates (Continued)

2.3 Significant accounting policies (continued)

d) Financial instruments – classification, recognition, measurement, derecognition and offsetting (continued)

Available for sale financial assets

Available for sale financial assets are non-derivatives that are either designated in this category or not classified in any other categories. These are included in non-current assets unless the investment matures or management intends to dispose of the financial assets within 12 months of the statement of financial position date.

Regular way purchases and sales of financial assets are recognised on the trade date—the date on which the Council commits to purchase or sell the asset. Financial assets are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value and transaction costs are expensed in the income and expenditure account.

Financial assets are derecognised when the right to receive cash flows from the investments have expired or have been transferred and the Council has transferred substantially all risks and rewards of ownership. Available for financial assets and financial at fair value through profit or loss are subsequently carried at fair value. Loans and receivables and held to maturity financial assets are carried at amortized cost using the effective interest method.

Financial liabilities

The financial liabilities are initially measured at fair value, net of transaction costs, and are subsequently measured at amortized cost using effective interest rate method, with interest expense recognized on an effective yield basis, within the finance cost, in the statement of income and expenditure.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the statement of income and expenditure.

Financial assets and financial liabilities are only offset and the net amount reported in the statement of financial position when there is a legally enforceable right to set off the recognized amounts and the Company intends to settle on a net basis.

e) Impairment of financial assets

An assessment is made at each reporting date to determine whether there is objective evidence that a specific financial asset may be impaired. A financial asset or a group of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred "loss event") and that loss event (or events) has an impact on the estimated future cash flows of the financial assets or the group of financial assets that can be reliably estimated. If such evidence exists, any impairment loss is recognised in the income and expenditure account. For assets carried at amortised cost, impairment is the difference between carrying amount and the present value of estimated future cash flows discounted at the financial assets original effective interest rate.

Reversal of impairment losses recognised in prior years is recorded when there is an indication that the impairment losses recognised for the financial asset no longer exist or have decreased and the decrease can be related objectively to an event occurring after the impairment was recognised. Reversal of impairment losses are recognised in the income and expenditure account to the extent carrying value of the asset does not exceed its amortised cost at the reversal date.

f) Cash and cash equivalents

Cash and cash equivalents consist of cash in hand and bank balances.

2. Basis of preparation and significant accounting policies and estimates (Continued)

2.3 Significant accounting policies (continued)

g) Accrued and other liabilities

Liabilities are recognised for amounts to be paid in the future for goods or services received whether or not billed to the Council.

h) Income recognition

Income is recognized when it is probable that the economic benefits associated with the transaction will flow to the Council and the amount of income and the associated cost incurred or to be incurred can be measured reliably.

*Membership fee*

Membership fee is recognized on receipt basis.

*Profit on investment*

Profit on investment is recognized on accrual basis.

i) Taxation

The Council is a statutory body established through its own Act, 1983 by the Government of Pakistan as a Non-Profit Organisation (NPO). The income generated by Council through its principal activities, is subject to 100% tax credit under the Income Tax Ordinance, 2001.

2.4 Significant accounting estimates

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revisions affect both current and future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing material adjustment to the carrying amounts of assets and liabilities within the next financial year are:

a) Impairment of property and equipment

A decline in the value property and equipment could have a significant effect on the amounts recognised in the financial statements. Management assesses the impairment of property and equipment whenever events or changes in circumstances indicate that the carrying value may not be recoverable.

Factors that are considered important which could trigger an impairment review include the following:

- significant changes in the technology and regulatory environments.
- evidence from internal reporting which indicates that the economic performance of the asset is, or will be, worse than expected.

b) Useful lives of property and equipment

The Council's management determines the estimated useful lives of property and equipment for calculating depreciation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation charge would be adjusted where the management believes the useful lives differ from previous estimates.

<p>PCATP launched a housing scheme in the year 1989 for its members. It purchased a land measuring 521 Kanals and 04 Marlas in the suburbs of Mauza Manga, Tehsil Murree, District Rawalpindi at a cost of PKR 21.95 million. A suit was filed by a third party against the title of land which was won by the Council, followed by another suit which the Council is defending. Following these circumstances, the scheme was grounded by the Council. Thereafter, it was decided by the Council to sell the land. Consequently, a sale deed was entered into between PCATP and a prospective buyer on December 06, 2005 at a price amounting to PKR 99.02 million. As per the terms of the agreement, PCATP retained the forfeited advance amount of PKR 20.2 million due to non-compliance of a condition requiring the remaining payment to be made within the time stipulated in the agreement. Subsequently, it was decided by the Council to invest the amount so confiscated, the proceeds of which are being utilized to repay the installments given by the members for allotment in the housing scheme. The amount confiscated has not been recorded as income and appears as a liability.</p>

- a. Ar. Syed Hassan Raza filed a complaint of Professional Misconduct against Ar. Nayyar Ali Dada regarding Bibi Pak Daman Development Project. The case was represented before Executive Committee and it was decided to send the letter to complainant. The letter was sent to complainant on March 11, 2020 asking him to explain his position vs charges imposed. His response received was received on April 2, 2020 and forwarded to respondent for review and advice on future possible action/step on May 19, 2020. Both complainant and respondents have submitted their response. The case will be presented to inquiry committee. Further progress is on hold due to COVID.
- b. Ar. / Plnr. Kalim Siddiqui filed a complaint of Professional Misconduct against Ar. Zaheer Ahmed Khan. Letter was sent on July 03, 2018 asking him to explain his position vs charges imposed. His response received and forwarded to complainant for review and advice on future possible action/steps. The case was presented to the Executive Committee informing them that Ar. Kalim Siddiqui had rejected the reply from Ar. Zaheer Khan alleging that the drawings produced were forged with seal. It was also disclosed that the firm Architectural Systems claimed to be registered by the respondent is not registered with the PCATP. The case was requested by the complainant to be put to Inquiry/ Disciplinary Committee. The Inquiry Committee was formed which submitted the final report after three meetings and recommended formulating the Tribunal of Inquiry. ( the tribunal proceeding couldn't be held due to COVID)
- c. Vice Chairman (Architecture) Ar. Amir Nazir Chaudhary filed a complaint against Ar. Azhar Mamoon Sualehi on January 01, 2021 to Chairman PCATP regarding an anomaly brought by Registrar PCATP in answer sheets of 6 candidates appeared in PCATP Registration Examination for non-accredited batches held on January 30, 2020 at Lahore. The respondent was asked to explain his position and submit the response. After receiving the response from the respondent, Chairman PCATP in consultation with the Executive Committee constituted an Inquiry Committee to investigate the matter. The Inquiry Committee consists of the following three members:
  1. Ar. Khawar Hassan
  2. Dr. Noman Ahmed
  3. Ar. Muhammad Tahir Khattak

Inquiry Committee was requested to complete the investigation in 3 weeks. Report is awaited.

To give them a fair chance to defend themselves an Inquiry Committee was formed.

- 3.12.1 The Registrar further told that the Inquiry Committee consists of Ar. Kifayat Hussain, Ar. Afzal Ebrahim and Plnr. Rizwan Munir. The individuals were called in person by the Inquiry Committee on January 25, 2021 at PCATP Head office Islamabad for hearing.

PAKISTAN COUNCIL OF  
ARCHITECTS AND TOWN PLANNERS

3.12.2 Registrar informed the house that the Inquiry Committee gave following recommendations subject to approval of the Executive Committee:

- Mr. Mustazhar-ul-Hassan, Mr. Asif Nadeem and Mr. Mohammad Imran Niaz were issued a fine of PKR. 50,000, along with suspension of their name from PCATP register for 18-24 month. The Committee advised PCATP Committee Executive to issue all three of them a stern warning letter. In case any of them is found guilty of professional misconduct in future their name will be struck off from register permanently.
- In Mr. Umair Ahmed's case, the Committee suggested that Bawali consultants should be issued a show cause notice for the forgery signature and stamp of Mr. Umair Ahmed on drawings produced by Bawali Consultants. Bawali consultants should appear before Committee to defend itself and till then the decision will remain pending.

**3.13 ACTION TAKEN BY COUNCIL ON PRE-QUALIFICATION NOTICES/EOI /RFP APPEARING IN NATIONAL NEWSPAPERS AND OTHER RELATED MATTERS**

The Registrar informed the members that, Council is fully aware of pre-qualification notices appearing in national newspapers by public and private sector organizations. PCATP has written 40 letters during this reporting period and 13 departments/organizations have accepted our plea and have issued corrigendum as per Council's demand. Details are available in Annual report on Page 24-30.

- Registrar specially appreciated Khyber Pakhtunkhwa province for their professional conduct as they always respond to the letters directed towards them as opposed to other provinces.

3.14 **Follow up on Compliance of PCATP Ordinance IX of 1983** The Registrar informed the house that last year in April, 2020, seventy nine (79) letters were dispatched to various Cantonment Boards, DHA's and Local Area Development Authorities by hand/TCS and email both. One month's notice was sent to comply with the PCATP Ordinance from the date of receiving of the letter. Since then constant follow up with the concerned authorities, DHA's and Cantonment Board is being done by the PCATP.

- Peshawar Development Authority, Kaghan Development Authority, Lahore Development Authority, Multan Development Authority, Multan Cantonment Board, Peshawar Cantonment Board, DHA Bahawalpur have complied to our letters/notices and are accepting PCATP registration from architects without any enlistment and fees.
- Legal notices have been served to Capital Development Authority (CDA) and Walton Cantonment Board, Lahore and Capital Development Authority (CDA), Islamabad. Copy of the legal notice is attached as Annex-B.
- DHA Lahore have once again approached to convene a meeting with Chairman PCATP with DHA officials to resolve the issue. Response is awaited from DHA, Lahore.

3.15 **Issue of Technical Allowance for Architects and Town Planners Working in Public Sector Organizations/Departments:** The Registrar informed the participants that requests have been sent to provincial governments for the approval of grant of technical allowance to architects and town planners working in public sector organizations/departments on the analogy of that being given to the Engineers by respective provincial governments. Letters have also been written to Civil Aviation Authority, Public Works Department and Federal Government Employees Housing Authority for the grant of technical allowance for

PAKISTAN COUNCIL OF  
ARCHITECTS AND TOWN PLANNERS

architects and town planners employed in these Federal Government authorities and departments. No response has been received so far from any of the said departments.

- 3.16 **ARCHITECTURAL DESIGN COMPETITION:** Registrar told the house that National Architectural Design Competition for a Pakistan Park and Museum in lands adjacent to Quaid's Mazar, Karachi was announced in National dailies in end August 2020, 129 architects/architectural firms obtained pre-qualification forms from the office of PCATP. A total of 40 architects/architectural firms submitted the pre-qualification data and all 40 of them were pre-qualified. As per the prescribed schedule, twenty submissions were received on 28<sup>th</sup> December 2020 and evaluated by the jury accordingly.

3.16.1 According to Registrar, all the entries were reviewed anonymously and coded to preserve utmost confidentiality of the exercise. The PCATP made arrangements for supplying the entries in a digital medium, due to the prevailing COVID 19 pandemic conditions. In addition to reviewing the digital material, three jury members viz Architect Ejaz Ahed, Dr. Noman Ahmed and Ar. / Plnr. Fariha Amjad Ubaid also visited the PCATP Karachi Office for examining the submitted boards in person. Each jury member reviewed and assessed the submissions individually. Thereafter, an online conference was also held on 30 December 2020 to deliberate on this exercise of vital importance. In this exercise, each of the 20 submitted entries were reviewed by all the four jury members. The jury unanimously decided that none of the entries fulfil the conditions as spelled out in the competition brief and hence didn't announce the award.

3.16.2 She further said that the aforementioned decision was shared with the participants and the Quaid-e-Azam Mazar Management Board (QMMB). The QMMB decided that three people from the Board should check out all the submissions and chose one submission having potential for taking it forward. QMMB will invite the architect to make a direct presentation to QMMB. The Board meeting of QMMB will be chaired by the Minister.

- 3.17 **CONTINUOUS PROFESSIONAL DEVELOPMENT PROGRAM :**

The Registrar informed the house that during the reporting period, no CPD program was held as per decision of last AGM (held in August, 2020), wherein it was decided that a revised CPD draft was presented to general body in EGM held in December, 2020. The newly elected Executive Committee will start CPD activities as per approved document.

4. AGENDA ITEM NO.4

PRESENTATION OF THE AUDITED ACCOUNTS OF THE COUNCIL  
FOR THE FINANCIAL YEAR 2019-2020

- 4.1 The Registrar informed the house that the signed copy of the audited accounts has been placed in the Annexure-D to the Annual report. The Audited Accounts of PCATP were presented before the members.
- 4.2 Registrar told the participants that they can raise any questions they have regarding audited accounts of the Council. PCATP Finance Manager presented and explained Audited Accounts for financial year 2019-2020. He was also present to address any queries raised.
- 4.3 The Registrar requested the house to approve the audited accounts of the Council for the financial year 2019-2020.

**Resolution No.02**

The Resolution was proposed by Ar. Shahab Ghani Khan and seconded by Ar. Muhammad Yusuf Awan, Ar Sohail Anwar Saeed and Ar Kifayat Hussain. Hence the Council adopted and approved the audited accounts of the Council for the year 2019-2020.

5. AGENDA ITEM NO.5:

PRESENTATION OF THE ANNUAL BUDGET OF THE COUNCIL  
FOR THE FINANCIAL YEAR 2021-2022

- 5.1 The Registrar presented the Budget 2020-2021, she explained in detail the reasons for increase in budget amount in certain heads in comparison with the previous year.
- 5.2 Chairman PCATP told all the participants that they may now raise any objections or queries they have related to annual budget of the Council for the Year 2021-2022.
- 5.2 Ar. Sohail Anwar Saeed inquired regarding item 19 i.e. "Faculty and Inspectors Training" under head of "Expenditure" as to why it has been increased from 500,000 to 1,500,000. Chairman PCATP responded that in last 5 years, no faculty and inspector training has been conducted. The given budget 500,000 rupees for previous year was not even utilized. We earn a substantial amount from the registered schools and hence we should definitely spend on faculty as well as inspectors training.
- 5.3 Ar. Ali Zafar Qazi inquired regarding break up of increase in legal expenses. Registrar PCATP responded that legal expenses have been increased since 3 new cases have been added this year. Moreover, Council is considering to take legal action against CDA and Cantonment Boards. This is why the budget is increased in the said head. Chairman PCATP added that on the issue

PAKISTAN COUNCIL OF  
ARCHITECTS AND TOWN PLANNERS

of multiple licensing, the Council has exhausted all options. So the only option left is going to the Court as a last resort. Hence we increased the budget for it.

- 5.4 Ar. Akeel Bilgrami suggested that more budget should be allocated for education and training for better results on education side. Ar. Shahab Ghani, Ar. Sohail Anwar Saeed supported his suggestion. Ar. Kifayat Hussain and Chairman PCATP suggested that it should be increased to PKR 2.5 million.
- 5.5 Plnr Imran Shakir suggested that item 18 i.e. CPD expense should be increased. He suggested that we should develop modules which have practical outcomes in facilitating young Town Planners and Architects. He further said that each training event with 20 participants almost costs approximately 0.5 million. The Council should conduct at least 4 events in an year. Hence he suggested that a budget of 2 million should be allocated. Plnr. Nadir Ali Shah endorsed his point of view.
- 5.6 Ar. Sohail Anwar Saeed criticized that CPD currently has been limited to seminar and zoom meetings. He suggested that it should have more practical on-site visits and training programs.
- 5.7 Ar. Amir Chaudhary said that a CPD app is also in pipeline. The development of app also requires financing. However, 1.5 million seems adequate with an additional provision of 0.5 million if Executive Committee considers it necessary. Chairman endorsed his suggestion.

**Resolution No.03**

The House approved the Annual Budget for the financial year 2021-2022. The resolution was proposed by Plnr. Imran Shakir and was seconded by Ar. Kifayat Hussain, Plnr. Nadir Ali Shah and Plnr. Ahmad Masood.

6. **AGENDA ITEM NO.6**

Any other business as may be placed before the meeting  
by the Executive Committee or as the meeting may decide.

- 6.1 Ar. Sohail Anwer Saeed raised following concerns
- 6.1.1 Why are the CPD points which are earned abroad not considered valid in Pakistan?
- 6.1.2 He pointed out that annual number of graduates in Architecture profession are far greater than the employment opportunities available in market. He gave two suggestions to solve the matter at hand
- Limit the annual student intake according to market demand
  - Encourage young entrepreneurship. After taking examination, allow young Architects to open small firms.

Chairman encouraged him to send a proposal in writing regarding this so it can be discussed in Executive Committee.

PAKISTAN COUNCIL OF  
ARCHITECTS AND TOWN PLANNERS

- 6.2 Ar. Syed Akeel Bilgrami appreciated Ar. Sohail Anwer concerns and further added that the Council should push government to create more jobs for Architects. He pointed out that the vacancies which are for Architects are occupied by engineers and non-engineers. He said progress is being made in KPK province, similarly this matter should be taken up with rest of the provinces. Chairman agreed to him and said that in KPK along with Council's effort, local Architects have played a proactive role. According to him, the lack of proactive role of local architects is the missing link in rest of the provinces.
- 6.3 Ar. Muhammad Yusuf Awan told the house that HEC is introducing a new education policy for all UG batches. The major feature of this policy is that all UG batches will have 13 common courses. It will be implemented from Fall 2021 nationwide. He further told the house that all professional Councils are already given a role in it. Hence he reminded PCATP that it should play its due role.
- 6.4 Ar. Kifayat Hussain reflected that the matters related to new HEC policy were discussed in the university where he currently works as a faculty member. He said that it was written back to HEC that the said policy supersedes the Accreditation guide of PCATP. He further said that HEC was informed that this policy cannot be fully implemented until Council gives further guidance on it.
- 6.5 Ar Muhammad Yusuf Awan responded that the said policy is very comprehensive and in line with international standards. He further said PCATP has a role in it as per modern standards. HEC is providing liberty to professional Councils as well as universities to play their due role. He emphasized that it should be properly studied by PCATP academic Committees.
- 6.6 Chairman PCATP requested Ar. Muhammad Yusuf Awan to draft a proposal along with PCATP educational nominees and submit this proposal to Executive Committee for further discussion.
- 6.7 Ar. Amir Chaudhary raised concern regarding the Architectural design Competition held by PCATP. He questioned as to how Quaid-e-Azam Mazar Management Board Committee could decide regarding an Architectural design competition as they were not qualified Architects or planners themselves? He strongly urged the Chairman PCATP to take notice of this issue. He emphasized that thousands of man hours cannot go wasted. He further asked the Chairman to assure the house that this competition will not end up being decided by Quaid-e-Azam Mazar Management Board.
- 6.8 Chairman PCATP responded that this point is noted and he himself has already discussed the said issue with Registrar PCATP . He emphasized that non-architects and non-planners cannot decide an Architectural design competition. He informed the house that a request for meeting has already been sent to Quaid-e-Azam Mazar Management Board via Registrar PCATP. He assured that this competition will not go to waste and it will reach to its logically conclusion.
- 6.9 Ar. Amir Chaudhary added whether this information was shared with the people taking part in the competition that this competition will be decide by Quaid-e- Azam Mazar Management Board. If not, it should have been brought to the knowledge of participants. Also he suggested that another way forward is that this competition can be converted into a two stage competition. In second stage, 5-6 participants can be shortlisted and it can be processed accordingly.

PAKISTAN COUNCIL OF  
ARCHITECTS AND TOWN PLANNERS

- 6.10 Ar. Arif Belgaumi further said that what can be further done if the jury has once said that none of the entries are up to the mark. Chairman PCATP responded that since a lot of contestants complained regarding the said decision. The contestants pointed out that there were a lot of grey areas in TORs which should have been clearly spelled out for the participants. He emphasized that all aspects will be analyzed in detail. It would be preferred that the same jury would find a way out for the issued at hand.
- 6.11 Ar. Amir Chaudhary suggested that if the contestants had not addressed the requirements in their entries, the jury can select the best ones and provide them guidance accordingly.
- 6.12 Registrar PCATP added that since the competition is being discussed she would like to put the record straight that that Archi-times published an accusation that the project brief for the said competition was prepared by an inexperienced Registrar. She out rightly denied this accusation and said that the project brief was prepared by QMMB.
- 6.13 Ar. Kamran Ahmad discussed regarding the issue of T-19 batch. He said he was issued a license in 2019 with respect to previous bye-laws. There was no "T" mark present on the said license. After six months, a new license was sent in and it was informed that he had to go through an examination. He requested to clarify this matter. Registrar responded by saying that when the decision for examination was taken we issued license to people as per older procedure. When it was discussed with Chairman PCATP and Vice Chairman Architecture of that time, it was decided that whoever will send in their papers for renewal from the said category, a letter "T" will be put on their papers. It was purely for identification reasons as for students who will appear examination. Otherwise there is no reason for it. Ar. Kamran further insisted that once a license has been issued as per old bye-laws without any mention of registration examination, how new licenses were issued again with the condition of Examination. Registrar clarified that two or three decisions were taken back to back and Chairman PCATP at that time was informed that 5-6 people have been issued licenses accordingly. He decided at that time that there is no need to revoke those licenses rather the Council may issue the said candidates new licenses when they apply for renewal. Registrar said that it takes time for new things to settle down, however she insured that since the matter has reached clarity now, no such mistake would happen in future.
- 6.14 Ar. Fazal Subhan suggested that Council should play its role in aptitude tests for selection of Architects. The Council should address joblessness by allowing institutions to hire faculty who have done multidisciplinary postgraduate programs. Chairman PCATP ensured that the Council will focus on capacity building of students, faculty and institutions. He said Education will be top priority during his tenure. He further said that we are completely focused on forming a very strong Accreditation Board by taking all Academia on board.
- 6.15 Ar Mansoor Ahmed gave following suggestions
- 6.15.1 Capacity building of PCATP at provincial level: provincial representatives should be formally made into focal persons so that they can contribute properly by pooling in ideas to promote the Council's cause.
- 6.15.2 He suggested that a policy unit should be formed in the Council regarding National Architectural Policy.
- Chairman PCATP appreciated his suggestions and informed the house that these suggestions have already been accommodated in the new Vision.

PAKISTAN COUNCIL OF  
ARCHITECTS AND TOWN PLANNERS

- 6.16 Plnr. Khurram Farid gave three suggestions regarding the capacity building of PCATP
- 6.16.1 He suggested there are approximately 27% female town planners, hence a seat should be reserved for female town planners in Executive Committee. This will give them an opportunity to represent themselves and raise their issues.
- 6.16.2 He suggested that an Assistant Registrar should be town planner so that he/she can take up matters related to town planning.
- 6.16.3 He pointed out that currently in Executive Committee there is one seat of town planning for each province. Federal area, Gilgit Baltistan and Azad Jammu & Kashmir are merged with Punjab. He suggested that a seat should be added for Federal, Gilgit Baltistan and Azad Jammu and Kashmir areas in Executive Committee.
- Chairman PCATP responded that all the above matters are related to PCATP Bye-laws, hence they should be brought up in Executive Committee meeting.
- 6.17 Ar. Asia Jabeen gave following suggestions
- 6.17.1 She proposed that there should be cut off date for Architectural Programs that are not registered with PCATP. After that cut-off date none of the students from batches of non-accredited Programs should be registered. This will encourage the faculty and students of accredited programs.
- 6.17.2 Secondly, she showed concern regarding why Accreditation manual is not being fully complied by institutions. She quoted her own example that she is the only faculty member that fulfills the criteria for being HOD in her institution. Despite Registrar's letters to the institution she was not appointed the HOD. She inquired that what role Council can play to protect the rights of its members in such cases?
- Chairman PCATP ensured her that the Council will revisit the Accreditation process and will form a strong Accreditation Board. He emphasized that the process will be made transparent and all the grey areas will be removed.
- 6.18 Ar. Sohail Anwar Saeed suggested that the gap between education should be bridged as employers receive severe setback when knowledge of architectural graduates is not compatible with practice. He said this is affecting the quality of practice as well. Chairman PCATP ensured that more focus will be put on practical workshops by taking educational institutions on board to address this issue.
- 6.19 Ar Parvez Iqbal referred to AGM meeting minutes 2019, item 7.4 in which he registered his concerns regarding addition of email addresses during Election held in 2019. He said that in election 2019 votes were casted through email. He accused that approximately 700 paid-up members did not have email addresses and were deprived of their right to vote. He said that he reported this complaint to the Chairman PCATP of that time. However no ballot papers were issued. He further accused that Registrar PCATP illegally updated email addresses of 90 voters. He said that he demanded for forensic audit (which according to him was approved by Chairman PCATP of that time) of the voting process 2 years ago and no action or inquiry has been conducted until now. He requested Chairman PCATP to look into this matter.

PAKISTAN COUNCIL OF  
ARCHITECTS AND TOWN PLANNERS

Chairman PCATP responded since the said issue has become matter of past, the option of re-election is not viable. However, the Council must have some report regarding this issue and it will be shared with the complainant to clarify the matter.

Registrar PCATP responded that all complaints made by Ar. Parvez Iqbal are registered in record. She further clarified no forensic audit was approved by Chairman PCATP of that time. She said that before every election we email all our respected members if they need to update their email addresses. This exercise is done to facilitate our voters in exercising their right to vote. However, the response from voters on timely updating their email addresses is not very encouraging. This year only 12 voters updated their email addresses. Secondly, she said that voter list was already uploaded on PCATP website, only email addresses were updated with the permission of Election Committee.

- 6.20 Ar. Yasmeen Maan appreciated the suggestions given by the participants regarding inclusion of Architects at public sector level and integrating academia with practice. She further appreciated the initiative taken by the newly elected Executive Committee of increasing the budget for training of academia.
- 6.21 Ar. Sheema Amir requested that it should be ensured that accreditation inspectors are completely unbiased. Chairman PCATP responded that we intend on properly training the inspectors and he reiterated that it is one of the top priority areas of the newly elected committee as well.

7. AGENDA ITEM NO.7:

Closing comments by the Chairman PCATP

- 7.1 The Chairman PCATP, in his closing remarks said that it was fully ensured that AGM was participatory in nature and all comments/ queries are recorded/ responded to. However, if anyone has still not be given chance to speak due to time constraint they can send it in chat box. He thanked the audience for participating in AGM 2021.

**Subject: PCATP ACCREDITATION BOARD DECISION FOR REVALIDATION TO ACCREDITATION VISIT CONDUCTED TO UNIVERSITY OF MANAGEMENT AND TECHNOLOGY (UMT) LAHORE FOR BACHELOR OF ARCHITECTURE PROGRAM**

1. Board of Accreditation Meeting was held on December 06, 2021 at PCATP Head Office, Islamabad. The Board reviewed the Revalidation to Accreditation Visit Report and the Compliance Report submitted by the University to its response. The Accreditation Board granted **conditional accreditation to the graduated batch of 2021** with an advice to comply with the following guidelines:
  - A. The acting positions to be filled by the qualified faculty as deem appropriate for the positions of Dean and Department Chair in conjunction with the HEC guidelines for faculty appointment criteria (updated 2013).
  - B. Faculty Strength (Regular Visiting, Contract) and their profile(s) (CVs entailing their experience) shall be submitted to the Council and same be displayed on the university website. Required regular faculty strength is 1x Lecturer, 3x Assistant Professors, 2x Associate Professors and 1x Professor.
  - C. University to submit a report to the Council on appointment criteria adopted by the Institute for Faculty especially Professor(s) and Associate Professor(s) (as per faculty strength) in comparison to HEC faculty appointment criteria (updated 2013).
  - D. University to devise and implement admission criteria as notified by the Council with an aptitude test (Drawing and Interview) and limit annual intake to forty five students as intimated vide notification no. PCATP/AC/TP/14-9-9/21 dated September 14, 2021 (copy attached).
  - E. University to engage the practicing architects in academic activities.
  - F. University to revamp the infrastructure of Architecture Department with particular focus on its studios and classrooms for conducive learning.

**Note:** The Accreditation Board is not satisfied with the compliance report submitted by the University. Hence, University is advised to re-submit the same with quantified actions taken against observations raised and a specified time period for actions to be completed. **Revalidation to Accreditation of the University is subject to the submission of compliance report on above mentioned points by the University to the Council within one month.**

Sincerely,  
  
Ar. Muhammad Arif Changezi  
Chairman PCATP

No. PCATP/CIDB-MoPD&SI/02-15-01/2022  
Date: 15 February 2022

**Mr. Iqbal Ahmed**  
Deputy Chief  
Ministry of PD&SI  
Planning Commission  
Government of Pakistan

**Subject: Proposed Solutions for Construction Industry of Pakistan (CIDB)**

Pakistan Council for Architects and Town Planners (PCATP) appreciates the effort of Government of Pakistan in empowering the Construction Industry through provision of all possible avenues and means at its disposal. In order to create a sustainable industrialization and foster innovation, the Council proposes the following measures for the establishment of CIDB:

- a. The scope of Construction services fall under the spectrum of Architectural, Engineering and Town Planning respectively. Therefore, an appropriate representation of all the stakeholders must be ensured.
- b. The Board should act as a facilitator in provision of financial and administrative support to the already established organizations like PCATP and PEC instead of creating a new one since the consulting services for the construction industry are being provided by the professional Architects, Engineers and Town Planners through the registered firms associated with both the regulatory authorities.
- c. The Board would perform better and will be most beneficial if it regulates and facilitates private sector and creates opportunities and facilitate them for doing better quality business.
- d. Jobs pertaining to Planning, Conceptualization, Designing, Monitoring and Evaluation of any project irrespective of sector is a specialized job and should be referred to qualified Architects, Engineers and Town planners respectively.
- e. CIDB should play its role in formalizing and regulating the market with parameters which include but not limited to register and control foreign construction entities, promote and export construction works and services, dispute resolution, R&D and Regulation of Manufacturers and Traders of Construction Material.
- f. Only such licensed foreign entities shall be eligible to undertake works whose expertise is not available in Pakistan as prescribed by the board from time to time.
- g. PCATP is already conducting CPD programs, however its scope can be increased for Contractors as well if properly empowered.
- h. Government should not involve itself in any Public-Private Partnership business. Its role should only be limited to facilitating private sector in doing it. Board should facilitate Private sector to do the business instead of forming Government owned companies and creating competition for Private sector.

Page 1 of 2

- i. PCATP is already enlisting and licensing Contractors, Architectural / Town Planning Consulting Firms in 05 different categories or classifications based on the project cost and the type of work/ specialization involved with highest standards. Pre-qualifications shall be based upon the nature of the project exclusively for the respective professionals, enlisted firms / companies.
- j. There is a dire need to rationalize already adopted PPRA Rules and Guidelines. Practice has revealed its shortcomings in catering Professional Architectural/ Town Planning services and how standard of services have deteriorated due to criteria established by it. There is a need to redefine the rules where PCATP can provide a new framework for Public Procurement Rules focused more on obtaining quality oriented services from Consultants and Construction Companies by evaluating beyond cost factors. PCATP encourages a competitive environment for all the Architects Engineers and Town Planners for a better built environment and livable cities in the country. The present selection criteria of PPRA is not providing the said environment resulting in degradation of the built environment in our country. Cities are growing in an unplanned manner due to poor planning and non-existence of right professionals at the policy making positions.
- k. The Board should introduce the policy of new specialized technology for the development of construction industry in Pakistan through industrial units to help country shed burden on national exchequer and also develop export oriented product industry to earn foreign exchange.

PCATP can offer its expertise in following areas to foster the construction industry of Pakistan:

- (1) PCATP has an already established legislative mechanism for regulating the Professional Architectural and Town Planning Works; which can be of significant assistance to Board while devising their legislative framework and defining scope of work to avoid any overlapping of works.
- (2) PCATP has a plenty of trained resource persons for provision of training on construction industry's works pertaining to Professional Architecture/Town Planning related services.
- (3) Professional networking and outreach with national and international professional Architectural entities for provision of right person with subject expertise to support Board's underlying scope.
- (4) PCATP's regulatory control over Architectural institutions/Departments can be used as a medium for professional development through academic learning and practical implication. This will help in achieving capacity building through infrastructure development of training institutes for construction industry in a holistic view.

Above in view, it is proposed that the functional autonomy of established Council's must be safeguarded by delegating the regulation of professional works to the respective Council while taking advantage of their expertise in respective sector to regulate the construction industry at par to best professional practices. PCATP, also endorse the stance of PEC for taking the CIDB under its umbrella giving it the functional autonomy, on account of the extra ordinary resources and man power PEC have.

Thanking you,

**Ar. Muhammad Arif Changezi**  
Chairman PCATP

Subject: Observations on the Minutes of Second Meeting of Sub Committee on Construction Industry Development Board (CIDB)

Reference: MoPD&SI letter no. F.No.1 (14) PP&H/PD/20 dated 25th February 2022

1. Subsequent to the circulation of the Minutes of Second Meeting of Sub Committee on Construction Industry Development Board (CIDB) held on 15.02.2022, I, on behalf of PCATP would like to infer the following reservations on the decisions recorded in the minutes to be re-considered:
  - a. It was proposed and agreed in the meeting dated February 25, 2022 that draft of the Minutes will be shared with all the participants for comments before its issuance officially. Issuance of the official Minutes without it negates the decision taken in the meeting.
  - b. Para No 12 has not been recorded correctly in the Minutes as the decision was never a unanimous one. Both PEC and PCATP as recorded in Para No. 03 and 05 had opted for option 'c' along with ACEP which had opted for b and c. Hence, conclusion drawn in Para 12 sub para 'iii' becomes invalid.
  - c. PCATP supported the proposal for CIDB to be placed under PEC managed by relevant stakeholders as defined in Para No. 10, Sub Para (c). However, Para No. 12 sub para iii, fundamentally negates the functional autonomy of already established Councils.
  - d. It is reiterated that the Board should act as a facilitator in the provision of financial and administrative support to the already established organization(s) working on same lines. Whereas, establishing CIDB as an independent entity incubated under M/o PD&SI will affect the regulatory functions of already established organizations like PEC and PCATP.
  - e. The approval of CIDB Act from stakeholders as stated by Legal Advisor in Para No. 09 is in also not in line with the suggestions and recommendations forwarded by this office pertaining to CIDB formation.
2. Above in view, the Minutes circulated to all concerned may kindly be reviewed and re-issued after taking consent on draft approval from the stakeholders to achieve a unanimous resolution prior to its submission to the main committee meeting of CIDB, scheduled on March 09, 2022.

Thanking you,

**MINUTES OF THE CONSULTATIVE WORKSHOP REGARDING THE PAKISTAN  
COUNCIL OF THE ARCHITECTS AND TOWN PLANNERS (PCATP), HELD ON  
MONDAY, APRIL 12, 2021 IN THE CONFERENCE ROOM OF PDA.**

In accordance with the directions of the Chief Secretary Khyber Pakhtunkhwa, a Consultative Workshop of The Pakistan Council of the Architects and Town Planners (PCATP) was held at 1100 hrs on Monday, April 12, 2021 under the chairmanship of The Director General, Peshawar Development Authority.

A list of the Government Officials/ Consultants who participated and attended the consultative workshop held on 12 April, 2021 is attached as annexure.

The workshop started with the recitation from the Holy Quran. The chair welcomed all the participants including Government Officials, Consultants, Architects and representatives of PCATP. The chair mentioned that the workshop is called on the directives of the Chief Secretary Khyber Pakhtunkhwa in continuation to the meeting held on 02-04-2021 in conference room of Chief Secretary Office, and to discuss and come up with recommendations on how to improve the due **role and more induction** of Architects and Town Planners in the concerned Government Departments to ensure sustainable Built environment in Khyber Pakhtunkhwa.

In this regard it may be noted that the participants of the consultative workshop had a comprehensive discussion on the subject with following agenda and suggested the following recommendations:

- A. Strengthening of Govt. Departments through appointment, induction and facilitation of Architects and Town Planners to enable them to play their due role in development for sustainable built environment in Khyber Pakhtunkhwa.
- B. Recognition of the Architectural and Town Planning Professions as per PCATP Ordinance 1983.

- C. Promote and Upgrade Architectural and Town Planning Educational Institute through curriculum Improvement.
- D. Establishment of Built Environment Council.
- E. Town, Urban and Regional Planning Issues and Recommendations.

A. **Strengthening of Govt. Departments** The participants discussed the scope and role of Architects and Town Planners in every department and gave some general and department specific recommendations.

**General Recommendations**

- PCATP nominees /representatives shall be taken in all committees regarding Policy Making, Bye Laws, Design Approvals, Licensing, Building Commissioning etc.
- Recruit Architects and Town Planners against all vacant posts and posts occupied by non-Architects and non-Town Planners respectively in all departments
- Define proper service Structure for all Architects and Town Planners serving in various departments
- Provide relevant infrastructure and support staff to all designated posts of Architects and Town Planners
- Architects and Town Planners shall also have the opportunity as Project Director in relevant Projects.
- Approve entitlement of Architects and Town Planners for technical allowance in reference to other allied professionals.

**1. Local Govt. and Rural Development Department**

a. **Development Authorities**

- a. Establish full fledged Building Control mechanism in all development authorities as per scope.
- b. Empower Architects and Town Planners for strict compliance of bye laws and its enforcement.
- c. Expansions like Regi Model Town shall be considered for an independent in-house building control section.

b. **Local Council Board / District Architects (26/35 Inducted)**

**Recommendations for Immediate Relief**

- 1) District Architect reporting officer should be Regional Municipal officer (RMO) instead of Tehsil officer as RMO is senior level officer of District officers in LG hierarchy.
- 2) Reversal of Revised Job Description Notification is required to stop Architects reporting the official work to Tehsil Official Infrastructure (TOI) which is contradictory to the hierarchy of officer's ranks.
- 3) Provision of official vehicles/ Conveyance to District Architects as they have to, on daily basis, visit all the TMAs of district and do continuous field inspections.

**Other Recommendations**

- 1) Restructuring of Local Council Board with Chief Architect, Deputy Chief Architect and Assistant Architects with support staff etc.
- 2) The forum recommended that at district level Proper Service structure and service rules for Architect and Town Planners should be added in Rules of Business.
- 3) Provision of support infrastructure and Staff.

c. **Tehsil Councils**

- i. The building control mechanism need to be extended to Tehsil Council (105) level in midterm plan and Union Council (986) level in long term Plan.

  - 1) Hilly areas
  - 2) Water Front Development
  - 3) Urban and Rural contexts and cultural needs
  - 4) Heritage and conservation as per Antiquities Act
  - 5) Religious Buildings like Masjid etc.
- ii. Define Building Codes as per Standards in consultation with PCATP.

e. **Building Control Authority**

- a. PCATP shall be engaged to facilitate in the already under process establishment of Building Control Authority as PCATP has the expertise and had already established Sindh Building Control Authority.

2. **KP IT Board**

- a. KPK IT Board to integrate its brilliantly designed system with PCATP system (data base) for online construction industry services system for verification of Architects at the time of Registration with KPITB's system.
- b. All PCATP Registered Architects to register online on KPITB's Portal and get application processed online (Building Plans Approval, Change of Land Use, Completion Certificate and Approval of Housing Schemes).

3. **Communication and Works Department**

**Subject: - SOFT REMINDER FOR IMPLEMENTATION OF STEPS AGREED UPON THE THE CONSULTATIVE WORKSHOP PESHAWAR DEVELOPMENT AUTHORITY (PDA) & PAKISTAN COUNCIL OF ARCHITECTS AND TOWN PLANNERS (PCATP)**

I am directed to refer to your letter No. PCATP/KP-LGRDD/11-30-03/2021 dated 20<sup>th</sup> December, 2021 on the subject noted above and to convey that the Local Council Board is going to implement the recommendations of the consultative workshop in a gradual manner. So far the Board has taken the following steps:-

1. Requisition of 100 additional posts of Architects through Khyber Pakhtunkhwa Public Service Commission to appoint one PCATP registered Architect in every TMA of the province.
2. Requisition of 35 posts of Town Planners through Khyber Pakhtunkhwa Public Service Commission to appoint one Town Planner in each District Headquarter TMA of Khyber Pakhtunkhwa.
3. Framing and vetting of Khyber Pakhtunkhwa Model Building Bye-Laws 2021 where due representation has been provided to District Architects in different Technical and approval committees for building plans approval.
4. The Government of Khyber Pakhtunkhwa has notified "Khyber Pakhtunkhwa Private Housing Schemes (Management & Regulations) Rules, 2021 vide Notification No. SOG/LG/3-6/LCB/2021 dated 19 November, 2021. Where Town Planners have not only <sup>been</sup> included in the Planning and Technical Committee but also in the District Scrutiny Committees for considering the cases of irregular Housing Societies.
5. The Local Government Department has assigned specific targets to each TMA in the province regarding Building Plan Approval to discourage the illegal construction by ensuring compliance to Building Bye-Laws.

PAKISTAN COUNCIL OF  
ARCHITECTS AND TOWN PLANNERS  
(Ordinance IX of 1983)

No. PCATP/KP-PDA/14-04-01/2022

Dated: April 21, 2022

The Chief Secretary  
Government of Khyber Pakhtunkhwa  
Sahibzada Abdul Qayyum Road,  
Civil Secretariat, Khyber Pakhtunkhwa

Subject: **ACTION PLAN FOR STEPS AGREED UPON IN THE CONSULTATIVE WORKSHOP PESHAWAR DEVELOPMENT AUTHORITY (PDA) & PAKISTAN COUNCIL OF ARCHITECTS AND TOWN PLANNERS (PCATP)**

Reference: Minutes of the Consultative Workshop – PCATP issued by PDA vide letter no: 18/(DG)/PDA/E516-528 dated 26 April 2021

Respected Sir,

This is with reference to the above referred Minutes issued by the office of PDA after a Consultative Workshop between PCATP and PDA held on April 12, 2021, on the directions of the Chief Secretary, Government of KPK (Minutes enclosed). We would like to state as under;

1. It is encouraging to note that various offices/ departments of KPK have started to implement the decisions taken in the above meeting so promptly. However, the Council (PCATP) forwarded various soft reminders to the concerned offices which were found lagging behind in the implementation process to expedite it under intimation to your office and the Council. It is desirable that more effective measures need to be taken for timely implementation of all the agreed decisions by various departments.
2. In order to expedite and facilitate the process, the Council has formed a Coordination Committee (enclosed as Annexure-A), which will also oversee the tasks pertaining to coordination and implementation of the decisions mentioned in the above referred Minutes.
3. Further, it may please be noted that the Minutes of the Meeting held recently on February 09, 2022 with the Architect's Association including representative of the Council, a Co-ordination Committee was decided for follow up and implementation of recommendations of consultative Workshop of April 12, 2022. All the issues discussed in the Consultative Workshop are part of the Minutes which are mostly in the implementation phase.
4. You are kindly requested to direct the concerned offices to address / communicate with the Coordination Committee pertaining to the subject matter/issues in future under intimation to this Office.

5. You are also requested that any meeting(s) that involve decisions / actions which need to be taken by the Council may kindly be addressed to the Chairman PCATP under intimation to the undersigned. Chairman PCATP will attend any future meetings along with Vice-Chairman Architecture/Town Planning and EC members Khyber Pakhtunkhwa, as deemed appropriate.
6. The Council offers its deepest gratitude for the kind support extended by your good office in implementation of the decisions and issuance of necessary directives to concerned offices for its effective implementation.

Your kind support is solicited, as always!

Sincerely,

*Tahira S. Fazli*

**PROCESS, PROCEDURES AND METHODOLOGY FOR CONSULTANCY  
FRAMEWORK 2021  
PLANNING COMMISSION OF PAKISTAN  
COMMENTS OF PAKISTAN COUNCIL OF ARCHITECTS & TOWN  
PLANNERS (PCATP)**

**A - GENERAL COMMENTS**

- 1- The Regulations should be simplified, and not overly complicated, good regulations are simple.
- 2- The word etc has been used indiscreetly; it is never used in a technical report. Has Typo errors to be corrected i.e. year and some more.
- 3- Architectural, Urban Planning and other creative Design disciplines, consultancies, firms shall be Properly mentioned where required.
- 4- The process for selection as per new drafts is the same as before, whereas TORS and requirements are being much tighten to develop transparency and get more professional but the outcomes of this process will be the same. There is a need to change the process, as the process will give the best selection of the project and consultants. PCATP team and other organizations should review the process and give an ease to the market so that individuals or Consultants may put forward their Design Proposal at first stage. After selection of the best top 3 or 5 design proposals, the consultants or individuals may be able to complete the technical and financial proposal process. During this process it may be possible that the best design proposal (Individual/consultant) have less technical team to complete the project, so therefore it should be cleared in the RFQs that the individual or consultant may join best associates and develop technical proposal and financial proposals.
- 5- If we look into dubai, china, or European context, we see that major government projects of these countries are put forward to the competition level. Where different firms around the globe put their best proposals and after a jury panel, the best among 100 project is selected, which ultimately becomes the monumental building for that region.
